(TRO)  
CHECKLIST

(A) Check one.

Filing party is represented by counsel

**Filing party is acting in pro se ✓**

**(B) Has there been actual notice, or a sufficient showing of efforts to provide notice to the affected party? See Local Rule 231 and FRCP 65(b).**

Since the harassment began in 2021, I have never once seen Mr. Thompson engage on any matter in good faith. It would be a hazard to my wellbeing to even attempt to facilitate any type of information to Mr. Thompson directly. I am afraid of him and what he may do. Mr. Thompson's communications are always an intentional infliction of emotional distress and hazardous to my mental wellbeing.

Did applicant discuss alternatives to a TRO hearing?

No

Did applicant ask opponent to stipulate to a TRO?

No

Opposing Party:

Telephone No.:

Known online aliases: **Omni-Eris, Omni-Eros, Baron Von Elmo, OmniEris, OmniEris News Network, (new aliases seem to be created in an ongoing manner).**

(C) Has there been undue delay in bringing a TRO?

Mr. Thompson has, by his own admission, inflicted emotional distress upon me in a predominantly psychological fear based campaign of abusive messaging and psychological manipulation using aliases and "sock accounts". I was unaware of that I was being targeted by Mr. Thompson for the intentional infliction of emotional distress for more than one month after it had been occurring. In response to Mr. Thompson's harassment, I became paranoid and began to display psychotic symptoms including paranoia. I underwent a medical rehabilitation that is ongoing.

Could this have been brought earlier?

A: Yes

(D) What is the irreparable injury?

Mr. Thompson's bad faith, malicious and premeditated attempts to cause me psychological distress caused me to feel unsafe. Mr. Thompson wants to render me unable to speak for myself. I am in constant fear of what he will do if the situation goes on. The damages to my emotional and professional wellbeing are inexcusable and all in clear bad faith on Mr Thompson's part. He clearly states that I "want to see what happens when I piss me off that much." From December 2021 to mid 2022, Mr. Thompson had placed me under a "stipulation" that I never mention his name to anyone. The repression and ongoing fear of his continued harassment is untenable.

Why the need for an expedited hearing?

I am afraid for my emotional wellbeing. Reviewing the attached images from Mr. Thompson's previous communications with me, I believe the court will find the situation I face with Mr. Thompson untenable and until the court has a chance to review the complaint in a legal process, I need to know that Mr. Thompson cannot stalk, harass or communicate with me using any aliases or venues. I am afraid for my safety.

**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

### III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. Mr. Thompson has been engaging in what is known colloquially as gangstalking. Mr. Thompson uses clips from my personal livestreams as a part of a for profit show, in which he receives donations from a group of people (usernames: Reamce, Varonika Maigh, Thilluth Thodduth, Tonya Allemand and others).

In order to fuel content for his show, Mr. Thompson's frequently sent emotionally disturbing comments over a prolonged period and is ongoing. I have been threatened and informed that he will never stop attempting to inflict emotional distress. He had threatened me for 7 months that if I ever spoke his name to anyone, he would resume the campaign of harassment indefinitely. A journalist interviewing me for a piece involving two interviews spread 1 year apart, interviewed me in April 2021 and then again in April 2022 or sometime around there. I told him about Mr. Thompson in order to recount my personal history. The aforementioned journalist reached out to him, inquiring about what had happened. Mr. Thompson decided that I had broken his "agreement" to which I took no part in, and resumed harassing me regularly. He purposefully posts as many videos with my name so that he will be able to destroy my reputation. I am afraid of Mr. Thompson and he has told me that he will make sure I am "reviled by anyone who Google searches me." Mr. Thompson has no basis but his own personal animosity for the endeavor. He enjoys torturing me online however he can. I have begged him to stop on several occasions.

In this video, entitled "Todd begs me to stop laughing + Kevin Christian puts underwear on his head 6-16-21 (REUPLOAD)", I pleaded with Mr. Thompson to stop harassing me. He said "you're not a person" and thus refused to engage in good faith discussions.

Mr. Thompson admits that he intends to harm me psychologically and professionally - intentional infliction of emotional distress. He admits that he does it maliciously and out of malice. In the link provided at the end of this summary, Mr. Thompson admits to a premeditated campaign meant to inflict the maximum amount of disturbance to my life. He sends provocative communications from various aliases (Baron Von Elmo, OmniErisNewsNetwork, OmniErisArchive, to name a few) These are attempts at disturbing my emotional wellbeing and furthermore, meant to humiliate or defame me however possible. He scares me. I am afraid for my safety as a result of the actions and words stated by Mr. Thompson.

He uses the "Hollywood Laughingstock" YouTube channel to post obscene and defamatory titles that are consistently in bad faith and malicious. Mr. Thompson planned over many months to inflict as much damage on me as possible. He has admitted to wanting me "on the verge of homelessness." His communications create confusion and mental anguish.

#### **IV. Relief**

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The damage to my emotional wellbeing was and continues to be significant.

Mr Thompsons admits to actively seeking to destroy my emotional wellbeing and my professional well being and thus engaged in an ongoing campaign to harass and disturb my emotional and professional wellbeing. For the severity of the offense, and the ongoing malicious and premeditated nature of it, I request that the court fine Mr. Thompson One million dollars USD. His behavior continues to be to inflict harm on my reputation and wellbeing. One million dollars in punitive damages at the very least.

I ask that the court order Mr. Thompson to pay me Two Million dollars USD in compensatory damages for the ongoing emotional trauma I deal with, and to compensate for the damage done to my online book selling business, in which I sold signed books online. Directly to the mental and emotional injuries caused by Mr. Thompson, I was forced to forfeit the business, which had, among grossing 10k in it's first month, was featured in The Hollywood Reporter. The damage to my reputation is at the very least one million dollars USD in compensatory damages..

In addition to the total 3 million dollars USD I am requesting in punitive and compensatory damages, I am also asking the court to consider criminal charges against Mr. Thompson. He is a threat to my well being, and he targets other individuals and manipulates and harasses them into states very similar to what I went through during 2021.
